Charges

Notice published in the normal columns: $2 per centimetre or part thereof single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain names by unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as lost insurance policies, deceased estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 303], changes of companies' names, etc. et cetera: $5 per entry.

Except in the case of approved accounts, remittances must accompany all copy for advertisements. Failing this, copy will be returned with an assessment of charges.

Copy for all notices to be set in tabular form must be received by 11 a.m. on the Friday preceding the Friday of publication.

Any copy, which is received after the respective closing-times will automatically be held over for insertion in the Gazette of the following week, in which case no responsibility can be accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the Gazette in advance.

All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 3082, Causeway, or delivered direct to the department, in Gordon Avenue (between Sixth Street and Epton Street), Harare. Envelopes should be marked: Gazette copy—urgent.

GOVERNMENT GAZETTE

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery:

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the Gazette itself and for: subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7a, 7b, 8, et cetera.
4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—
(a) exceed 10 pages of typing on A4 paper; or
(b) contain tabular or other matter which involves complicated settings,
it will be classed as “lengthy” copy and will be required to be
submitted not less than 21 days before the date of closing for the
Gazette in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days’ notice if—
(a) the work involved is of a straightforward and non-
tabular nature; and
(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in
these conditions, any copy—
(a) which is of national importance, and which is
originated as a matter of urgent necessity, may, by
prior arrangement, be accepted late for the current week;
(b) may, due to the shortage of staff or to technical
considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a
regulation. It must be submitted on a separate sheet of paper, on
which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in
tabular form, copy must be drafted exactly as it is to appear.
If printed forms for any such notices are unavailable,
authorisers must prepare their own forms. While it is not
necessary to include the gazette, the box-headings must be
there, and, where applicable, the number of the form; for
example, "Inolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of
subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or
delivered by hand, must be accompanied by a requisition or
a letter which clearly sets out—
(a) the name and address of the advertiser; and
(b) the debtor’s code number, if any; and
(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the Gazette, it is
rectified as soon as possible by a correcting notice, without
charge to the ministry or department concerned, subject to the
following conditions—
(a) that such error is reported to the editor within three
months from the date of publication; and
(b) that the relevant copy, upon re-examination, is
proved to be abundantly clear; and
(c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the
original copy is required to draft its
own correcting notice, take it to the Attorney-General for
vetting, and pay for such notice to be published.

(3) For the removal of doubt—
(a) a typographical error is made by a typographer;
(b) a typist’s error is classed as a drafting error by reason
of the fact that the officer responsible for
drafting failed to check the typist’s work.
