Conditions for Acceptance of Copy

Failure to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Regarding the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery, which two booklets are intended for complementary use.

2. (2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

4. (1) All copy must be clear and legible, and there must be double or one and half spacing between the lines.

6. (3) Copy must appear on one side only of each sheet of paper.

7. (2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

8. (3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

9. Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards — not, for instance, 7, 7a, 7b, 8, et cetera.

4. Photographic copy of copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of typing on A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if:

(a) the work involved is of a straightforward and non-tabular nature; and;

(b) the total volume of work on hand for the time being permits its acceptance.
6. Notwithstanding anything to the contrary contained in these regulations, no notice shall be published unless
(a) which is of national importance, and which is,
originated as a matter of urgent necessity, may, by
prior arrangement, be accepted late for the current
week;
(b) may, due to shortage of staff or to technical
considerations, be delayed until conditions permit
its processing.
7. Copy must not be submitted as part of a letter or a
requisition. It must appear on a separate sheet of paper,
on which there is no instruction or other extraneous matter.
8. (1) In cases where notices have to be published in
tabular form, copy must be drafted in such form as is to appear.
If printed forms are to be used, such notices are unavailable,
advertisers must prepare their own forms. While it is not
necessary to include the preamble, the box-headings must be
those used, where applicable, the number of the form; for
example, "Insolvency Regulations—Form 3."
(2) In the case of copy for tabular notices, the provision
of subsection (2) of section 3 does not apply.
9. Copy for all advertisements, whether sent by post or
delivered by hand, must be accompanied by a requisition or
a letter which clearly sets out—
(a) the name and address of the advertiser; and
(b) the debtor’s code-number, if any; and
(c) the required date or dates of publication.
10. (1) If a typographical error occurs in the Gazette, it is
rectified as soon as possible by a correcting notice, without
charge to the ministry or department concerned, subject to
the following conditions—
(a) such an error is reported to the editor within three
months from the date of publication; and
(b) the relevant copy, upon re-examination, is
proved to be abundantly clear; and
(c) the correction of such an error is legally necessary.
(2) If a typographical error is detected before publication,
the originating ministry or department is required to draft its
own correcting notice, take it to the Attorney-General for
vetting, and pay for such notice to be published.
(3) For the removal of any doubt—
(a) a typographical error is made by a typographer;
(b) a typist’s error is clased as a drafting error by
reason of the fact that the officer responsible for
drafting failed to check the typist’s work.

SHERIFF'S SALES

Conditions of sale

1. The sale is conducted in terms of the rules of the High Court, which provide that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.

2. After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.

3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.

4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.

5. During the auction, should any dispute arise as to any bid, the property will be put up for sale again.

6. The right is reserved to the auctioneer of regulating or refusing any bid.

7. The sale shall be for cash and, in addition, the purchaser shall pay—
   (a) the auctioneer's commission; and
   (b) the costs of transfer, including conveyancer's charges, stamp-duty and any other fees; and
   (c) all arrear rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction, the highest bidder shall—
   (a) advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fides and ability to meet his obligations; or
   (b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.

9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realise at a subsequent sale.

12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and the Sheriff does not hold himself responsible for the determination of the boundaries and beacons, which shall be the responsibility of the purchaser.

13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.

14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
