CITY OF MUTARE

Emergency Scheme for the Restricted Use of Water

NOTICE is hereby given, pursuant to the provisions of section 134A of the Urban Councils Act [Chapter 214], that, further notice 187/1983, published on the 4th November, 1983, and the 11th November, 1983, the City Council of Mutare has, because of the critical fall in storage-level of the Odzani Dam (Lake Alexander), resolved that further restrictions be introduced.

Water supplied to every stand in the city, as well as in the former local government areas of Sakubva and Dangamvura, is to be restricted to 500 litres per day, giving a monthly consumption of 15 to 15.5 cubic metres, depending on the number of days in a particular month. Any consumption in excess of the 500 litres per day will be subject to a surcharge.

The rates of surcharge, on a daily basis, per dwelling-house or per flat, for exceeding the restrictions will be as follows:

1. Consumption not exceeding 500 litres per day . Nil
2. Consumption exceeding 500 litres but not exceeding 667 litres per day ........................................ $10
3. Consumption exceeding 667 litres but not exceeding 1 000 litres per day ................................. $20
4. Consumption exceeding 1 000 litres but not exceeding 1 333 litres per day ...................... $30
5. Consumption exceeding 1 333 litres but not exceeding 1 666 litres per day ............... $40
6. Consumption exceeding 1 666 litres but not exceeding 3 333 litres per day .................. $100
7. Consumption exceeding 3 333 litres per day ................................................................. $150

The fore-goning figures are based on average monthly consumption. Please note that 1 cubic metre is equal to 1 000 litres.

It should be noted that the above scheme is in addition to the restrictions previously advertised, namely, prohibiting the use of furrows for irrigating gardens, the use of hose-pipes and sprinklers for watering gardens and washing cars. In addition, the topping up of swimming-pools and the use of buckets is also prohibited. The surcharge scheme will be introduced with effect from, and including, Friday, the 18th November, 1983, until further notice.

V. R. MATAMISA,
Acting Town Clerk.

SHERIFF'S SALES

Conditions of sale

1. The sale is conducted in terms of the rules of the High Court, which provides that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.

2. After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.

3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.

4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.

5. During the auction, should any dispute arise as to any bid, the property will be put up for sale again.

6. The right is reserved to the auctioneer of regulating or refusing any bid.

7. The sale shall be for cash and, in addition, the purchaser shall pay—
   (a) the auctioneer’s commission; and
   (b) the costs of transfer, including conveyancer’s charges, stamp-duty and any other fees; and
   (c) all accrued rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction, the highest bidder shall unless other arrangements are made with the auctioneer, deposit with the auctioneer an amount sufficient to cover the auctioneer’s commission, and either—
   (a) advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fide and ability to meet his obligations; or
   (b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.

9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.

12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and

13. The Sheriff does not hold himself responsible for the determination of the boundaries and beacons, which shall be the responsibility of the purchaser.

14. The purchaser shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.

15. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
