GOVERNMENT GAZETTE

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery.

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, “copy” means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and half spacing between the lines.

(2) Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7a, 7b, 8, etc cetera.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper, or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as “lengthy” copy, and will be required to submitt to publication on the 15th day before the date of closing for the Gazette in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

(a) the work involved is of a straightforward and not-tabular nature, and

(b) the total volume of work on hand for the time being permits its acceptance.
6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is
originated as a matter of urgent necessity, may, by
arrangement, be accepted late for the current week;

(b) may, due to the shortage of staff or to technical
considerations, be delayed until conditions permit its
processing.

7. Copy must not be submitted as part of a letter or a
requisition. It must appear on a separate sheet of paper, on
which there is an instruction, and of other extraneous matter.

8. (1) In cases where notices have to be published in
tabular form, copy must be drafted exactly as it is to appear.
If printed forms for any such notices are unavailable,
advertisers must prepare their own forms. While it is not
necessary to include the preamble, the box-headings must be
there, and, where applicable, the number of the form; for
example, "Insolvency Regulations—Form 5".

(2) In the case of copy for tabular notices, the provision
of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or
delivered by hand, must be accompanied by a requisition or a
letter which clearly sets out—

(a) the name and address of the advertiser, and
(b) the debtor's code-number, if any, and
(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the Gazette, it is
rectified as soon as possible by a correcting notice without
charge to the ministry or department concerned, subject to
the following conditions—

(a) that such error is reported to the editor within three
months from the date of publication; and
(b) that the relevant copy, upon re-examination, is
proved to be abundantly clear; and
(c) that the correction of such error is legally necessary;
(2) If a drafting error is not detected before publication,
the originating ministry or department is required to draft its
own correcting notice, take it to the Attorney-General for
vetting, and pay for such notice to be published.

(3) For the removal of doubt—

(a) a typographical error is made by a typographer;

estates, insolvent estates, company liquidations, notices in terms

received by 11 a.m. on the Friday preceding the Friday of
publication.

Any copy which is received after the respective closing-

and neither public holidays, the normal closing-times are
varied, and such variations are notified in the Gazette in
advance.

All copy must be addressed to the Department of Printing
and Stationery, and either posted to P.O. Box 8062, Causeway,
or delivered direct to the department, in Gordon Avenue
(between Sixth Street and Epton Street), Harare. Envelopes

Submission of Copy for Application for Issue of Liquor Licence

It is hereby notified, for general information, that due to an
increase in the number of applicants, throughout the country,
for Liquor Licences and the subsequent publication in the
Gazette, applicants are advised to ensure that their copy has
been accepted prior to fixing dates for simultaneous publication
in both the Gazette and any newspaper in the country.

While every effort will be made to take in what we can in
the weekly issue, in respect of applications for Liquor Licences,
only, no responsibility will be accepted by the Department of
Printing and Stationery if—

(a) copy is automatically held over for insertion in the
Gazette of the following week; and
(b) the dates contained in such copy, or any requirements
of publication on specific dates are affected;

because the production of the weekly issue of the Gazette
operates to a tight schedule resulting in programming
work-flow. . .

Submission of Copy for Government Gazette Statutory
Instruments and Notices

IT is hereby notified, for general information, that it is
necessary to draw attention to the "Conditions for
Acceptance of Copy", which appears in every issue of the
Gazette, and particularly the need to submit lengthy copy,
in the case of Statutory Instruments, at least 21 days before
the date of closing for the Gazette in which the notice is
to be published.

During the past few months or so there have been many
cases where urgent copy for subsidiary legislation, which
requires the signature of the President or a minister to give
it effect, and which is of national importance, has been sent
in for publication in the Gazette after closing-time. Whilst
I acknowledge that it is the duty of the Department of
Printing and Stationery to give certain notices special treat-
ment, I am, however, of the view that a Gazette Extraordinary
has tended to be a must rather than a matter of priority in
respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish
Extraordinaries on the required dates, copy must be submitted
timely so that it can be programmed into the printing
work-flow as soon as it is available.

SHERIFF'S SALES

Conditions of sale

1. The sale is conducted in terms of the rules of the High Court, which provides that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.

2. After the auction, a report on the bidding and the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.

3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.

4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.

5. During the auction, should any dispute arise as to any bid the property will be put up for sale again.

6. The right is reserved to the auctioneer of regulating or refusing any bid.

7. The sale shall be for cash and, in addition, the purchaser shall pay—
(a) the auctioneer's commission; and
(b) the costs of transfer, including conveyancer's charges, stamp-duty and any other fees; and
(c) all arrear rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction, the highest bidder, unless other arrangements are made with the auctioneer, deposit with the auctioneer an amount sufficient to cover the auctioneer's commission, and either
(a) advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fides and ability to meet his obligations; or
(b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.

9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.

12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and

13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.

14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
