STATE LOTTERIES ACT [CHAPTER 317]

One Hundred and Seventy-two State Lottery: Unit Four

NOTICE is hereby given, for general information, that unit four of the one hundred and seventy-two lottery will be drawn as a Sweepstake based on the Glenair Cup scheduled to run by the New, on the 7th of December, 1985, at Borrowdale. The draw shall be conducted in public under the direction of the Minister for Finance, Economic Planning and Development, at 12.30 p.m. in the State Lottery Hall, Harare, on the 6th December, 1985.

Conditions of draw
1. Based on the face value of all tickets sold or issued free, up to 25 per cent. of the total subscriptions may be reserved for social service, public welfare or relief of distress.

2. Prizes
The prize-fund will be distributed as follows—

(i) $25 000 to the drawer of favourite horse;
(ii) $25 000 to the drawer of race-winning horse;
(iii) $7 500 to the drawer of second favourite horse;
(iv) $7 500 to the drawer of second favourite horse;
(v) $3 750 to the drawer of third favourite horse;
(vi) $3 750 to the drawer of horse that comes third.

Other horses in the race will be paid half the prize after the double or treble prize, the proceeds of the above prizes or the remaining half, depending on their placing at the race.

The draw for horses will be done in order of favouritism as supplied by the Mashonaland Turf Club on the date of the draw. The most favourite horse will be drawn last. The rules and regulations applicable to the Jockey Club will be strictly applied. In the event of a dead-heat for either the first, second or third place, the prize applicable will be combined and divided equally between the ticket-holders. In the event that the race is postponed, the prize-money will be paid out on the result of the race as supplied by the Mashonaland Turf Club on the date of the draw. The most favourite horse will be drawn last.

The rules and regulations applicable to the Jockey Club will be strictly applied. In the event of a dead-heat for either the first, second or third place, the prize applicable will be combined and divided equally between the ticket-holders. In the event that the race is postponed, the prize-money will be paid out on the result of the race as supplied by the Mashonaland Turf Club on the date of the draw. The most favourite horse will be drawn last.

3. Double and treble prizes
Any lottery prize of $200 or less won by a lottery ticket will be either doubled if the prize-winner sends in his prize-ticket, three additional lottery tickets in the same unit, or (ii) trebled if the prize-winner sends in with his prize-ticket seven additional lottery tickets in the same unit provided that, in order to qualify for the double or treble prize, the proceeds of all tickets submitted must have exactly the same name and address as that found on the counterfoils of the prize-winning ticket. (Nearly the same is not sufficient).

(iii) Two introducer's jackpots prizes: price, $50; introducer, $500.

Only tickets issued against one written order for 14 tickets in one unit are eligible to win these prizes, provided such written order has been compiled at one and the same time. Prizes not won will be carried forward and used to increase the jackpot prizes in the following unit. These prizes will be drawn after the draw for ordinary prizes has been completed.

4. The draw
(a) The number of all tickets sold will participate in the draw.
(b) If the Director is satisfied that a fault has occurred in the drawing of a prize-number, a „no draw“ shall be announced and the prize shall be drawn again. A ball jamming when coming out of a drum will not in itself be considered as a fault.

Examples of faults
(i) One or more balls appearing before control-button is pressed;
(ii) control-button pressed before all balls are in the drum.

(c) Subject to the provisions of the State Lotteries Act [Chapter 317], when a prize-number has been passed and recorded, no subsequent claim that a „no draw“ should have been announced will be considered.

(d) Only one ordinary prize can be won by one ticket-number. If a ticket is drawn, the prize is payable to the party whose name appears on the counterfoil. No trading in tickets will be recognized by the State Lotteries. If the number drawn represents an unsold ticket, a „no draw“ will be announced and the prize will be drawn again. If the number drawn for a bigger prize represents a number of a ticket which has already won a smaller prize, the bigger prize will be payable.

(e) Only the luck names and towns of the purchasers of winning-tickets will be announced. Names are not announced or published.

5. Payment of prizes
(a) All cash prizes are free from taxation by the Government and are payable in full, by cheque.
(b) Tickets are official receipts in themselves and prizes will be paid out on production of the winning-tickets. The Minister may authorize payment of a prize won by a lottery ticket without production of the ticket.
(c) If a syndicate wins a prize it must nominate one or two members to whom the cheque is to be made payable on behalf of the syndicate.

Subject to the provisions of the State Lotteries Act [Chapter 317], no responsibility will attach to the Minister or Director, or Trustees of the State Lotteries on account of illegibility of counterfoils, errors or omissions on the part of the ticket-sellers, purchasers, press or printers, or on account of loss or theft of a ticket.

The financial statement and prize-list will be published in The Herald, Harare, and The Chronicle, Bulawayo, after the draw. Further details may be obtained from official ticket-sellers or the Director, and requests will be posted to any subscriber who gives an address outside Zimbabwe.

G. H. MAIFICO, Director of State Lotteries.

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

1. Other than by prior arrangement, only original typing is accepted.

2. (a) Carbon copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

3. (1) Copy must appear on one side only of each sheet of paper.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;

(b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no reference to instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear.    (3) For the removal of doubts—

   (a) a typographical error is made by a typographer; and

   (b) a typist’s error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist’s work.

Authorized Scale of Charges, Times of Closing and Subscription Rate

Charges

Notice published in the normal columns: $2 per centimetre or part thereof of single column. Taking the depth of such matter, normally spaced, and approximately 25 words occupying one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notice which has to appear in tabular form across the full width of the page, such as lost insurance policies, deceased estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 302], changes of companies’ names, etc. cetera: $5 per entry.

Except in the case of approved accounts, remittances must accompany all copy for advertisements. Failing this, copy will be returned with an assessment of charges.

Times of closing

The Gazette closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments, at 11 a.m. on the Monday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by 11 a.m. on the Friday preceding the Friday of publication.

Any copy which is received after the respective closing-times will automatically be held over for insertion in the Gazette of the following week, in which case no responsibility can be accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the Gazette in advance.
All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 8052, Causeway, or delivered direct to the department, at Gordon Avenue, between Sixth Street and Epton Street, Harare. Envelopes should be marked: Gazette copy—urgent.

Regular advertisers and subscribers are requested to advise immediately of any change of address.

Subscription rate

The annual subscription rate for the Gazette is Z$14 payable in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.

Submission of copy for Application for Issue of LiquorLicence

It is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the Gazette, applicants are advised to ensure that their copy has been accepted prior to fixing dates for simultaneous publication in both the Gazette and any newspaper in the country.

While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if:

(a) copy is automatically held over for insertion in the Gazette of the following week, and
(b) the dates contained in such copy, or any requirements of publication on specific dates are affected.

because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programming imbling work-flow.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

It is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the Gazette; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am, however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted as early as possible so that it can be programmed into the printing work-flow as soon as it is available.

**SHERIFF'S SALES**

**Conditions of Sale**

1. The sale is conducted in terms of the rules of the High Court, which provide that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.

2. After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.

3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.

4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.

5. During the auction, should any dispute arise as to any bid, the property will be put up for sale again.

6. The right is reserved to the auctioneer of regulating or refusing any bid.

7. The sale shall be for cash and, in addition, the purchaser shall pay—
   - the auctioneer’s commission; and
   - the costs of transfer, including conveyancer’s charges, stamp-duty and any other fees; and
   - all arrear rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction, the highest bidder shall, unless other arrangements are made with the auctioneer, deposit with the auctioneer an amount sufficient to cover the auctioneer’s commission, and either—
   - advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fides and ability to meet his obligations; or
   - effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.

9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of 8% per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.

12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and the Sheriff does not hold himself responsible for the determination of the boundaries and boundaries, which shall be the responsibility of the purchaser.

13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.

14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
