4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as “lengthy” copy, and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days’ notice if—

(a) the work involved is of a straightforward and non-tabular nature; and

(b) the total volume of work on hand for the time being permits its acceptance.
6. Notwithstanding anything to the contrary contained in these conditions, any copy—
(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
(b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a reiteration. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, the parties will prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".
(2) In the case of copy for tabular notices, the provision of subscription (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—
(a) the name and address of the advertiser; and
(b) the debtor’s code number, if any; and
(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the Gazette, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—
(a) that such error is reported to the editor within three months from the date of publication; and
(b) that the relevant copy, upon re-examination, is not the result of a typographical error.
(2) In the case of copy for tabular notices, the provision (2) of section 3 does not apply.

For the removal of doubt—
(a) a typographical error is made by a typographer;
(b) a typist’s error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist’s work.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and Subscription Rate

Charges

Notices published in the normal columns: $2 per centimetre or part thereof of single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as tax insurance policies, deceased estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 303], changes of companies’ names, et cetera: $5 per entry.

Except in the case of approved accounts, remittances must accompany all copy for advertisements. Failing this, copy will be returned with an assessment of charges.

Times of closing

The Gazette closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments, at 11 a.m. on the Monday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by 11 a.m. on the Friday preceding the Friday of publication.

Any copy which is received after the respective closing-times will automatically be held over for insertion in the Gazette of the following week, in which case no responsibility can be accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the Gazette in advance.

All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 8052, Causeway, or delivered direct to the Department, in Gordon Avenue (between Sturmer Street and Epton Street), Harare. Envelopes should be marked: Gazette copy—urgent.

Regular advertisers and subscribers are requested to advise immediately of any change of address.

Subscription rate

The annual subscription rate for the Gazette is Z$14, payable, in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.

SHERIFF'S SALES:

Conditions of Sale

1. The sale is conducted in terms of the rules of the High Court, which provide that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.

2. After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.

3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.

4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.

5. During the auction, should any dispute arise as to any bid, the property will be put up for sale again.

6. The right is reserved to the auctioneer of regulating or refusing any bid.

7. The sale shall be for cash and, in addition, the purchaser shall pay—

(a) the auctioneer’s commission; and

(b) the costs of transfer, including conveyancer’s charges, stamp-duty and any other fees; and

(c) all arrear rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction, the highest bidder shall, unless other arrangements are made, deposit with the auctioneer the amount in the prescribed currency sufficient to cover the costs and expenses of the transfer, and—

(a) the registration of the title deed, or

(b) the delivery of the property to the purchaser.

9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or falls to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.

12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and

13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.

14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
