GOVERNMENT GAZETTE
Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any dates contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General’s Circular 1 of 1976); and

(b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In the case of certain notices, if and when particular kind of copy is specified, “copy” means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere; as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.
2. All copy must be clear and legible, and there must be double or one and half spacing between the lines.

3. Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader’s marks:

   Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

   (2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

3. (3) If copy comprises one or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

3. (4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being added, the additional sheet should be numbered after the last existing sheet.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—
   (a) exceed 10 pages of double-spaced typing on size A4 paper; or
   (b) contain tabular or other matter which involves complicated setting;
   it will be classed as “lengthy” copy, and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

5. (2) Lengthy copy may be accepted at less than 21 days’ notice if—
   (a) the work involved is of a straightforward and non-tabular nature; and
   (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—
   (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
   (b) may, due to the shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) When notices have to be published in tabular forms, copy must be drafted exactly as it is to appear.

8. (2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—
   (a) the name and address of the advertiser; and
   (b) the debtor’s number, if any; and
   (c) the required date or dates of publication.

10. (1) If a typographical error occurs in the Gazette, it is rectified separately by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—
   (a) that such error is reported to the editor within three months from the date of publication; and
   (b) that the relevant copy, upon re-examination, is found to be abundantly clear; and
   (c) that the correction of such error is legally necessary.

10. (2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting, and pay for such notice to be published.

10. (3) For the removal of doubt—
   (a) a typographical error is made by a typographer;
   (b) a typist’s error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist’s work.
GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

It is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the Gazette, and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst this is accepted for printing, it is the duty of the Department of Printing and Stationery to give certain notices special treatment. I am, however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timely so that it can be programmed into the printing work-flow as soon as it is available.

GOVERNMENT GAZETTE

Submission of Copy for Application for Issue of Liquor Licence

It is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the Gazette, applicants are advised to ensure that their copy has been accepted prior to fixing dates for simultaneous publication in both the Gazette and any newspaper in the country.
While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if—

(a) copy is automatically held over for insertion in the Gazette of the following week; and

(b) the dates contained in such copy, or any requirements of publication on specific dates are affected;

because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programming printing work-flow.

SHERIFF'S SALES

Conditions of Sale

1. The sale is conducted in terms of the rules of the High Court, which provide that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.

2. After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.

3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.

4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.

5. During the auction, should any dispute arise as to any bid, the property will be put up for sale again.

6. The right is reserved to the auctioneer of regulating or refusing any bid.

7. The sale shall be for cash and, in addition, the purchaser shall pay—
   (a) the auctioneer's commission; and
   (b) the costs of transfer, including conveyancer's charges, stamp-duty and any other fees; and
   (c) all accrued rates and charges, and any other expenses necessary to complete the transfer.

8. Immediately after conclusion of the auction, the highest bidder shall, unless other arrangements are made with the auctioneer, deposit with the auctioneer an amount sufficient to cover the auctioneer's commission, and either—
   (a) advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fides and ability to meet his obligations; or
   (b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.

9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any of the conditions contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.

12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and reserving all access; and the Sheriff does not hold himself responsible for the determination of the boundaries and beacons, which shall be the responsibility of the purchaser.

13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.

14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
