ZIMBANK
Zimbabwe Banking Corporation Limited
(Registered Commercial Bank)

INTERIM REPORT AND DIVIDEND ANNOUNCEMENT FOR THE SIX MONTHS ENDED 31st MARCH, 1987

Interim report
Your directors have pleasure in advising that the Group's unaudited net operating income, after provision for taxation and after transfers to internal reserves, reached the record level of $3 868 000 for the six months ended 31st March, 1987. This is an increase of $478 000 or 14.1 per cent. over the results for the comparable period last year. Earnings per share rose from 25.90 cents to 29.55 cents. These results must be considered as highly satisfactory given the much higher rate of economic growth last year and continuing difficult economic conditions. All companies in the Group have increased their net operating income and management and staff must be congratulated on this excellent performance. The prolonged drought has severely affected agricultural output this season which, together with the effects of the cuts in foreign exchange allocations on industry and commerce generally, means that the second half of the year will be even more difficult. However, the latter half of the financial year is traditionally the more profitable and your directors are confident that, notwithstanding the problems facing the Zimbabwean economy, Group results for the full year will continue at a satisfactory level. Your directors have pleasure in advising that the Group's audited unappropriated earnings for the half year to 31.3.1987 (1986—11 cents) were $2 428 000.

Dividend announcement
Given the present difficult conditions it is prudent to adopt a conservative viewpoint. Accordingly, the directors have decided to maintain the interim dividend at last year's level and have declared an interim dividend in respect of the six months ended 31st March, 1987 at the rate of 11 cents per share payable to shareholders registered in the books of the Company at the close of business on Friday, 8th May, 1987.

The transfer books and the register of members will be closed between 9th May, 1987 and 11th May, 1987, both dates inclusive. Dividend cheques will be posted to shareholders on or about 19th May, 1987. Shareholders' tax will be deducted at the rate of 20 per cent. where applicable.

APPLICATIONS FOR LIQUOR LICENCES
GOVERNMENT GAZETTE

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been printed, such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7a, 7b, 8, et cetera.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

(2) Lengthy copy may be accepted at least 21 days' notice if—

(a) the work involved is of a straightforward kind, and

(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangements, be accepted late for the current week;

(b) must, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or—

(a) the name and address of the advertiser; and

(b) the debtor's code-number, if any; and

(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the Gazette, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions:

(a) that such error is reported to the editor within three months from the date of publication; and

(b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and

(c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting, and pay for such notice to be published.

(3) For the removal of doubt—

(a) a typographical error is made by a typographer;

(b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and Subscription Rate as from the 1st July, 1985

Charges

Notices published in the normal columns: $4 per centimetre or part thereof single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as loss, insurance policies, deceased estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 303], changes of companies' names, et cetera, will be charged at $6 per centimetre.

For advertisement of urgent necessities, the rates charged will be determined by the Attorney-General. Any copy which is received after the respective closing-times may be accepted at any time before the Gazette closes for the receipt of copy for all notices to appear in the Gazette.

Times of Closing

The Gazette closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments, at 11 a.m. on the Monday preceding the Friday of publication.

Copy must be addressed to the Department of Printing and Stationery, and may be delivered direct to the department in Gordon Avenue, Harare, or delivered to P.O. Box 8062, Causeway, Harare, or delivered direct to the department in Gordon Avenue, Harare. Envelopes should be marked: Gazette copy—urgent.

Regular advertisers and subscribers are requested to advise immediately of any change of address.

Subscription Rate

The annual subscription rates for the Gazette is Z.$20, payable, in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.
**GOVERNMENT GAZETTE**

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the Gazette, and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am, however, of the view that a Gazette Extraordinary has tended to be a must rather than the rule of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted in time so that it can be programmed into the printing work-flow as soon as it is available.

L. C. TAKAWIRA, (Editor). Department of Printing and Stationery, Gordon Avenue (between Sixth Street and Epton Street), Harare (P.O. Box 8062, Causeway).

<tr>
<td>IT is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the Gazette, applicants are advised to ensure that their copy has been accepted prior to fixing dates for simultaneous publication in both the Gazette and any newspaper in the country. While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if— (a) copy is automatically held over for insertion in the Gazette of the following week; and (b) the dates contained in such copy, or any requirements of publication on specific dates are affected; because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programme printing work-flow.</td>
