   it will be classed as "lengthy" copy and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

   (2) Lengthy copy may be accepted at less than 21 days' notice if—
   (a) the work involved is of a straightforward and non-tabular nature; and

6. Notwithstanding anything to the contrary contained in these conditions, any copy—
   (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
   (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.  

8. (1) In cases where notices have to be published in tabular form, copy must be written exactly as it is to appear.    (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
   (c) that the correction of such error is legally necessary;

   (2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correction, take it to the Attorney-General for vetting, and pay for such notice to be published.

   (3) For the removal of doubt—
   (a) a typographical error is made by a typographer;
   (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.
