### STATE LOTTERIES ACT [CHAPTER 317]

State Lotteries Act [Chapter 317]

NOTICE is hereby given, for general information, that the One Hundred and Ninety-Seventh State Lottery will be drawn in public under the direction of the Minister of Finance, Economic Planning and Development, on December 20, 1991, at 12.30 p.m. in the State Lottery Hall, Harare. The first prize will be $100,000.

#### Conditions for the draw

1. —
   
   (a) Tickets with counterfoils will be sold at $5 each.
   
   (b) Based on the face value of all tickets sold, up to 25% of the total subscriptions may be reserved for Social Services, public welfare or relief of distress.

2. The prize-fund will be distributed as follows—
   
   (a) First—as above; Second—$200 000; Third—$10 000.
   
   (b) The remainder of the prize-fund will be distributed in smaller ordinary and consolation prizes.
   
   (c) There will be no free tickets, no introductory prizes, no introducers’ jackpot prizes and no double and treble prizes.
   
   (d) If in the opinion of the Minister of Finance, the prize fund is insufficient for the purpose, the amounts of the first three prizes listed above will be reduced as directed by that Minister.

3. The draw
   
   (a) The number of all tickets sold will participate in the draw for all prizes.
   
   (b) If the Director is satisfied that a fault has occurred in the drawing of a prize number, a "no draw" shall be announced and the prize shall be drawn again. A ball jamming when coming out of a drum will not in itself be considered as a fault.
   
   (c) Subject to the provisions of the State Lotteries Act [Chapter 317], when a prize-number has been passed and recorded, no subsequent claim that a "no draw" should have been announced will be considered.

4. Payment of prizes
   
   (a) All cash prizes are free from taxation by the Government and are payable in full by cheque.

   (b) Tickets are official receipts in themselves and prizes will be paid out on production of the winning ticket. The Minister may authorize payment of a prize won by a lottery ticket without production of the ticket.

   (c) If a syndicate wins a prize, it must nominate one or two members to whom the cheque is to be made payable on behalf of the syndicate.

5. Subject to the provisions of the State Lotteries Act [Chapter 317], no responsibility will attach to the Minister of Finance or Director or Trustees of the State Lotteries on account of illegibility of counterfoils or errors or omissions on the part of the ticket seller, purchasers, press or printers, or on account of loss or theft of a ticket.

6. The financial statement and prize list will be published in The Herald, Harare, and The Chronicle, Bulawayo, after the draw. Result-sheets may be obtained from official ticket-sellers, or the Director, and on request will be posted to any subscriber who gives an address outside Zimbabwe.

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the Gazette: and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time, whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of urgent copy.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 OF 1978); and
(b) the Manual of Style for the Drafting and Preparation of copy, published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangement, only original typing is accepted.

2. (1) All copy must be clear and legible, and there must be double or one and a half spaces between the lines.

3. (1) Copy must appear on one side only of each sheet of paper.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting; it will be classed as "lengthy" copy and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;

(b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

Failure to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.
GOVERNMENT GAZETTE

Submission of Copy for Application for the Issue of Liquor Licences

It is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the Gazette, applicants are advised to ensure that their copy has been accepted prior to fixing dates for simultaneous publication in both the Gazette and any newspaper in the country.

While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if—

(a) copy is automatically held over for insertion in the Gazette of the following week; and
(b) the dates contained in such copy, or any requirements of publication on specified dates are affected; because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programming printing work-flow.
