ZIMBABWEAN GOVERNMENT GAZETTE, 1ST MAY, 1992

INTERIM REPORT

The results reflect the Group’s continued growth for the six months to 31st March, 1992. After provision for taxation and transfers to internal reserves unauthorized net operating income for the period was $11,259,000. This is an increase of $2,606,000, or over 30% above income for the comparable six months last year. Earnings per share rose from 52,89 cents to 68,82 cents. These earnings largely reflect the exceptional 1991 tobacco growing season. The Bank’s performance must also be seen in the context of the restraints on bank lending growth resulting from policies designed to curb money supply growth, liquidity and inflation. The annual rate of increase in the average of the upper and lower income urban family consumer price indices has reached 30%.

Given this year’s severe drought, the worst on record, the outlook for the current agricultural season is poor. Although for the late rains may have assisted dryland tobacco and improved grazing. With the continuation of the measures being implemented by the monetary authorities to curb inflation, the second half of the year promises to be particularly difficult for the banking industry and the Group’s earnings may well be adversely affected.

DIVIDEND ANNOUNCEMENT

In light of the current difficult economic and financial climate it is essential to continue strengthening reserves. Accordingly, the Directors have declared an interim dividend for the six months ended 31st March, 1992 of 14,5 cents (1991—14,0 cents) per share payable to shareholders registered in the books of the Company at the close of business on Friday, 8th May, 1992. This dividend is 4,75 times covered.

The transfer books and the register of members will be closed from 9th May, 1992 to 11th May, 1992, both days inclusive. Dividend cheques will be posted to shareholders on or about 19th May, 1992. Shareholders’ tax will be deducted at the rate of 20%, where applicable.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the Gazette, and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinarys on the required dates, copy must be submitted timeously so that it can be programmed into the printing workflow as soon as it is available.

GOVERNMENT GAZETTE

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—
(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General’s Circular 1 of 1978); and
(b) the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery, which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, “copy” means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

3. (1) Copy must appear on one side only of each sheet of paper.

4. (1) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7b, 8, et cetera.

5. (1) Should any copy—
(a) exceed 10 pages of double-spaced typing on size A4 paper; or
(b) contain tabular or other matter which involves complicated setting;

it will be classed as “lengthy” copy, and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days’ notice if—
(a) the work involved is of a straightforward and non-tabular nature; and

(b) the total volume of work on hand for the time being permits its acceptance.
6. Notwithstanding anything to the contrary contained in these conditions, any copy—
   (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
   (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form. For example, “Insolvency Regulations—Form 3”.

9. In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

10. (1) If a typographical error occurs in the Gazette, it is rectified as soon as possible by a correcting note without charge to the ministry or department concerned, subject to the following conditions—
   (a) that such error is reported to the editor within three months from the date of publication; and
   (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
   (c) that the correction of such error is a matter of urgent necessity, may, by reason of the fact that the officer responsible for drafting failed to check the typist's work.

   (2) For the removal of doubt—
   (a) a typographical error is made by a typographer;
   (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and Subscription Rate as from 1st July, 1990

Charges
NOTICES published in the normal columns: $8 per centimetre or part thereof single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as lost insurance policies, deceased estates, insolvent estates, compulsory liquidations, notices in terms of the Insolvency Act [Chapter 363], changes of companies' names etc. Senate: $20 per entry.

Times of closing
The Gazette closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments at 11 a.m. on the Monday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by 11 a.m. on the Friday preceding the Friday of publication.

Any copy which is received after the respective closing-times will automatically be held over for insertion in the Gazette of the following week, in which case no responsibility can be accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the Gazette in advance.

All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 8062, Causeway, or delivered direct to the department, in George Silundika Avenue [between Sixth and Epton Street], Harare. Envelopes should be marked: Gazette copy—urgent.

Regular advertisers and subscribers are requested to advise immediately of any change of address.

Subscription rate
The annual subscription rate for the Gazette is ZS104, payable, in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.

GOVERNMENT GAZETTE

Submission of Copy for Application for the Issue of Liquor Licences

IT is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the Gazette, applicants are advised that their copy has been received prior to fixing dates for simultaneous publication in both the Gazette and any newspaper in the country.

While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if—

(a) copy is automatically held over for insertion in the Gazette of the following week; and

(b) the dates contained in such copy, or any requirements of publication on specified dates are affected;

because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programming printing work-flow.
