While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if—

(a) copy is automatically held over for insertion in the Gazette of the following week; and
(b) the dates contained in such copy, or any requirements of publication on specified dates are affected; because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programming printing work-flow.

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
(b) the Manual of Style for the Drafting and Preparation of copy published by the Department of Printing and Stationery; which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.

2. (1) Carbon—copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

3. (2) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

2. (2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks.

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection(2) of section 8, paper must not exceed 210 millimetres in width.

3. (3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

4. (4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, et cetera.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.
(2) Lengthy copy may be accepted at less than 21 days' notice if—
(a) the work involved is of a straightforward and non-
tabular nature; and
(b) the total volume of work on hand for the time being
permits its acceptance.

6. Notwithstanding anything to the contrary contained in these
conditions, any copy—
(a) which is of national importance, and which is originated
as a matter of urgent necessity, may, by prior arrange-
ment, be accepted late for the current week;
(b) may, due to shortage of staff or to technical consider-
ations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition.
It must appear on a separate sheet of paper, on which there is no
instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular
form, copy must be drafted exactly as it is to appear. If printed forms
for any such notices are unavailable, advertisers must prepare their
own forms. While it is not necessary to include the preamble, the
box-headings must be there, and, where applicable, the number of the
issue; for example, “Insolvency Regulations—Form 3”.
(2) In the case of copy for tabular notices, the provision of
subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered
by hand, must be accompanied by a requisition or a letter which
clearly sets out—
(a) the name and address of the advertiser; and
(b) the Debitor’s code number, if any; and
(c) the required date or dates of publication.

10. If a typographical error occurs in the Gazette, it is rectified as
soon as possible by a correcting notice without charge to the ministry
or department concerned, subject to the following conditions—
(a) that such notice is within three
months from the date of publication; and
(b) that the relevant copy, upon re-examination, proved to be
abundantly clear; and
(c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the
originating ministry or department is required to draft its own
correcting notice, take it to the Attorney-General for vetting and pay
for such notice to be published.

(3) For the removal of doubt—
(a) a typographical error is made by a typographer;
(b) a typist’s error is classed as a drafting error by reason of
the fact that the officer responsible for drafting failed
to check the typist’s work.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and Subscription
Rate as from 1st July, 1990

Charges
NOTICES published in the normal columns: $25 per centimetre
or part thereof single column. Taking the depth of such matter,
normally spaced, approximately 25 words occupy one centimetre
but this can only be a rough guide, as a heading may occupy two
centimetres, and certain notices unavoidably contain white space,
which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width
of the page, such as lost insurance policies, deceased estates,
solvent estates, company liquidations, notices in terms of the
Insolvency Act [Chapter 303], changes of companies’ names et
cetera: $42 per entry.

Notices of intention to alienate a business or the goodwill of a
business or any goods or property forming part of a business,
otherwise than in the ordinary course of business shall cost $260 for
the three consecutive publications.

Except in the case of approved accounts, remittances must accom-
pany all copy of advertisements, failing this, copy will be returned
with an assessment of charges.

Times of closing
The Gazette closes for the receipt of copy for all notices to be
published in the normal columns, and for statutory instruments at
11 a.m. on the Monday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by
11 a.m. on the Friday preceding the Friday of publication.

Any copy which is received after the respective closing-times will
automatically be held over for insertion in the Gazette of the
following week, in which case no responsibility can be accepted if
the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied,
and such variations are notified in the Gazette in advance.

All copy must be addressed to the Department of Printing and
Stationery, and either posted to P.O. Box 8062, Causeway, or
delivered direct to the department, in George Sylundika Avenue
(between Sixth Street and Epton Street), Harare. Envelopes should
be marked: Gazette copy urgent.

Regular advertisers and subscribers are requested to advise imme-
donately of any change of address.

Subscription rate
The annual subscription rate for the Gazette is Z$240, payable in
advance, to the Controller of Printing and Stationery, and may
commence with the first issue of any month.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory
Instruments and Notices

IT is hereby notified, for general information, that it is necessary
to draw attention to the “Conditions for Acceptance of Copy”, which
appears in every issue of the Gazette; and particularly the need to
submit lengthy copy, in the case of Statutory Instruments, at least 21
days before the date of closing for the Gazette in which the notice is
to be published.

During the past few months or so there have been many cases
where urgent copy for subsidiary legislation, which requires the
signature of the President or a minister to give it effect, and which
is of national importance, has been sent in for publication in the
Gazette after closing-time. Whilst I acknowledge that it is the duty
of the Department of Printing and Stationery to give certain notices
special treatment, I am, however, of the view that a Gazette
Extraordinary has tended to be a must rather than a matter of
priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish
Extraordinarys on the required dates, copy must be submitted
imeously so that it can be programmed into the printing-work-flow
as soon as it is available.
