GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

It is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the Gazette, and particularly the need to submit a lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months of so there have been many cases where urgent matters required legislative action, which requires the signature of the President or a minister to give effect, and which, as of national importance, has been sent in for publication in the Gazette after closing. Whilst I acknowledge that it is the duty of the Department of Printing and Stationery to give certain notices special treatment, I am, however, of the view that a Gazette "Exhibitionary" has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish "Exhibitionary" on the required dates, copy must be submitted promptly so that it can be programmed into the printing work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.
