Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General’s Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited; which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, “copy” means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader’s marks:

Provided that any copy containing excessive alterations will be rejected.
3. (1) Copy must appear on one side only of each sheet of paper.
   (2) Except as is provided in subsection (2) of section 8, paper
   must not exceed 210 millimetres in width.
   (3) If copy comprises two or more sheets of paper, all sheets
   must be numbered consecutively, in arabic figures, preferably in
   the top right-hand corner.
   (4) Where any matter is added after the copy has been
   prepared, and such additional matter results in one or more
   sheets being inserted between those already numbered, all sheets must be
   renumbered from there onwards—not, for instance 7, 7b, 8, et cetera.

4. Photographic copy or copy produced on a duplicating machine
   may be accepted if it is abundantly clear.

5. (1) Should any copy—
   (a) exceed 10 pages of double-spaced typing on size A4 paper; or
   (b) contain tabular or other matter which involves complicated setting;
   it will be classed as 'lengthy' copy, and will be required to be
   submitted not less than 21 days before the date of closing for the
   Gazette in which it is to be published.
   (2) Lengthy copy may be accepted at less than 21 days' notice if—
       (a) the work involved is of a straightforward and non-tabular nature; and
       (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these
   conditions, any copy—
   (a) which is of national importance, and which is originated as a matter of urgent necessity, may,
       by prior arrangement, be accepted late for the current week;
   (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its
       processing.

7. Copy must not be submitted as part of a letter or a requisition.
   It must appear on a separate sheet of paper, on which there is no
   instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form,
   copy must be drafted exactly as it is to appear. If printed forms for any
   such notices are unavailable, advertisers must prepare their own forms.
   While it is not necessary to include the preamble, the box-headings must
   be there, and, where applicable, the number of the form; for example,
   "Insolvency Regulations—Form 3".
   (2) In the case of copy for tabular notices, the provision of
   subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered
   by hand, must be accompanied by a requisition or a letter which
   clearly sets out—
   (a) the name and address of the advertiser; and
   (b) the debtor's code number, if any; and
   (c) the required date or dates of publication.

10. If a typographical error occurs in the Gazette, it is rectified
    as soon as possible by a correcting notice without charge to the
    ministry or department concerned, subject to the following
    conditions—
    (a) that such error is reported to the editor within three months
        from the date of publication; and
    (b) that the relevant copy, upon re-examination, is proved to be
        abundantly clear; and
    (c) that the correction of such error is legally necessary.
    (2) If a drafting error is not detected before publication, the
        originating ministry or department is required to draft its own
        correcting notice, take it to the Attorney-General for vetting and pay
        for such notice to be published.
    (3) For the removal of doubt—
        (a) a typographical error is made by a typographer;
