IT is hereby notified, in terms of section 4 of the Petroleum (Mandatory Blending of Anhydrous Ethanol with Unleaded Petrol) (Amendment) Regulations, 2014 (No. 2), published in Statutory Instrument 81 of 2014, in the *Government Gazette* dated the 9th May, 2014, that the Minister of Energy and Power Development approves the current level of mandatory blending to E15.

The blending levels of ethanol and unleaded petrol could not be maintained at E20 because of floods in the sugercane fields hindering harvesting to adequate supply of ethanol for blending in the market.
