APPLICATION FOR EXHUMATION LICENCE

I, TSHILIDZI BEN MOYANA (I.D. 7606185491088), hereby make application for a licence for exhumation of the remains of the deceased person named below from the grave in which they are interred, and for their removal for purposes of re-interment, and I certify that the particulars given below are true in all respects. If the application is granted I agree to carry out any conditions contained in the licence—

1. The name of the deceased is Vuyani Joel Moyana who died early 1972 due to old age and the death was not reported to the authority since he was residing in informal settlement. He was buried in his yard at his place of residence and the grave is still identifiable since it is the only grave in that deserted area where the deceased used to live in Tshimwanyane Village, Beitbridge area. The deceased was married to the late Rebecca Muzondo Moyana who was buried in Musina, RSA. Makhado undertaker was engaged to make the matter to the family members, Headman Mathibe and people who used to live with the deceased. Letters of no objection were obtained from ZRP, District Administration and Traditional Council in Zimbabwe.

2. I am the grandson of the deceased from my father's side and I am applying on behalf of the Moyana family. The deceased was blessed with nine children and only my two (aunties) are still alive. The other seven children including my father have since died and buried in Musina, RSA. There is no objection raised or likely to be raised to the proposed exhumation.

3. The remains are to be re-interred to another burial ground in Musina, RSA. Makhado funeral undertaker will be engaged to carry out exhumation.
4. The reason for desiring the exhumation is because the grave is in
the bush and all the people who used to live with the deceased
have moved during the Zimbabwe war in the 1970's. The grave
is next to the river bend and it might be washed away in future. It
is my culture to bury our loved ones with dignity.
5. It will be highly appreciated if this application can be taken into
consideration. —Ben Tshilidzi Moyana, 103, Bravingergras

GOVERNMENT GAZETTE
Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will
result in the rejection of copy, and no responsibility can be accepted
if such rejection should affect any date contained in such copy or
any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to
follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of
Legislation (Attorney-General's Circular 1 of 1978); and

(b) the Manual of Style for the Drafting and Preparation of
copy published by Printflow (Private) Limited,
which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is
specified, "copy" means copy for all matter contained in the Gazette
itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing
is accepted.

(2) Carbon-copies are not normally acceptable, other than in
cases where the original typing has to be legally retained, elsewhere,
as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as
discussion may be necessary with regard to the extra time and costs
involved.

2. (1) All copy must be clear and legible, and there must be double
or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must
be clearly effected in blue or black ink, using editorial marks—not
proof-reader's marks.

Provided that any copy containing extensive alterations will be
rejected.

3. (1) Copy must appear on one side only of each sheet of paper.
(Except as is provided in subsection (2) of section 8, paper
must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets
must be numbered consecutively, in unforgeable figures, preferably in the
top right-hand corner.

(4) Where any matter is added after the copy has been
prepared, and such additional matter results in one or more
sheets being inserted between those already numbered, all sheets
must be renumbered from there onwards—not, for instance 7, 7b,
et cetera.

4. Photographic copy or copy produced on a duplicating machine
may be accepted if it is abundantly clear.

5. (1) Should any copy—
(a) exceed 10 pages of double-spaced typing on size A4
paper; or
(b) contain tabular or other matter which involves
complicated setting; it will be classed as 'lengthy' copy,
and will be required to be submitted not less than 21
days before the date of closing for the Gazette in which
it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—
(a) the work involved is of a straightforward and non-tabular
nature; and
(b) the total volume of work on hand for the time being
permits its acceptance.

6. Notwithstanding anything to the contrary contained in these
conditions, any copy—

(a) which is of national importance, and which is
originated as a matter of urgent necessity, may,
by prior arrangement, be accepted late for the current week;
may, due to shortage of staff or to technical
considerations, be delayed until conditions permit its
processing.

7. Copy must not be submitted as part of a letter or a requisition.
It must appear on a separate sheet of paper, on which there is no
instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form,
copy must be drafted exactly as it is to appear. If printed forms for
any such notices are unavailable, advertisers must prepare their
own forms. While it is not necessary to include the preamble, the
box-headings must be there, and, where applicable, the number of
the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of
subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered
by hand, must be accompanied by a requisition or a letter which clearly
sets out—

(a) the name and address of the advertiser; and
(b) the debtor's code number, if any, and
(c) the required date or dates of publication.

10. If a typographical error occurs in the Gazette, it is rectified
as soon as possible by a correcting notice without charge to the
ministry or department concerned, subject to the following
conditions—

(a) that such error is reported to the editor within three months
from the date of publication; and
(b) the relevant copy, upon re-examination, is proved
to be abundantly clear; and
(c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the
originating ministry or department is required to draft its own
correcting notice, take it to the Attorney-General for vetting and pay
for such notice to be published.
(3) For the removal of doubt—
(a) a typographical error is made by a typographer;
(b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

While every effort will continue to be made to publish the Gazettes Extraordinaries on the required dates, copies must be submitted timely so that it can be programmed into the printing-workflow as soon as it is available.

GOVERNMENT GAZETTE

Submission of Copy for Government Gazette Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the Gazette, and particularly to the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the Gazette in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the Gazette after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a Gazette Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.
## NOTICES TO CREDITORS AND DEBTORS

Pursuant to sections 43 and 66 of the Administration of Estates Act, creditors and debtors are required to pay the amounts due by them within the same period, failing which legal proceedings will be taken for the recovery thereof.
