- (3) Where a person referred to in subsection (1)(a) earns any part of his or her taxable income in the form of a coupon or any instrument or token that, in the opinion of the Commissioner, is exchangeable, whether directly or indirectly, for foreign currency, that person shall pay an amount of tax to the Commissioner in foreign currency calculated on a valuation of that coupon, instrument or token which, in the opinion of the Commissioner, represents a fair valuation of that coupon, instrument or token in foreign currency.
- (4) For the purposes of subsection (3) the Commissioner may, in the case of any coupon, instrument or token denominated in units of weight, volume or other measure of a specified commodity, specify from time to time by notice in the *Gazette* that a unit by weight, volume or other measure of that commodity shall be deemed to be worth a specified amount of a foreign currency.

- or
- (d) the whole of the amount from which the person withholds tax is a foreign currency amount;
- as the case may be, unless, in respect of any particular transaction, such person proves to the satisfaction of the Commissioner that the income received or accrued in respect of that transaction was received or accrued in Zimbabwean currency, or that the amount in question is a Zimbabwean currency amount.
- (6) The liability of a person referred to in subsection (1)(b) or (c) to pay any tax in foreign currency is not affected by that person's failure to comply with any law (including but not limited to the Shop Licences Act [[Chapter 14:17](#)] and the Exchange Control Act [[Chapter 22:05](#)]) requiring the registration or licensing of the trade, investment or other activity by means of which his or her income is received or accrued.
- (7) For the avoidance of doubt it is declared that all the provisions of the Taxes Act shall apply, with such changes as may be necessary, to the payment in foreign currency of the taxes referred to in subsection (1) (a), (b), (c), (d), (e) and (f) in the same way as they apply to the payment of such taxes in Zimbabwean

currency.

In particular—

- (a) section 37B, relating to the duty to keep records, shall apply so that records of those transactions involving payments in foreign currency—
 - (i) are clearly distinguished from records of transactions involving Zimbabwean currency; and
 - (ii) employ the foreign currency concerned as the unit of account in relation to those transactions involving payments in that foreign currency;
 - (b) section 48 of the Taxes Act, relating to reduced assessments and refunds, shall apply so that any part of a tax paid in foreign currency that is required to be refunded shall be refunded in foreign currency;
 - (c) section 71, providing (among other things) for the payment of interest on unpaid tax, shall apply so that any interest due on any part of a tax payable in foreign currency that is unpaid, shall be paid in foreign currency.
- (8) The Commissioner may require any person referred to in subsection (1)(c), (d), (e) or (f) who tenders payment of any tax in a foreign currency other than the United States dollar, to tender instead the equivalent amount of that tax in United States dollars, being an amount obtained by applying the international cross rate of exchange of the first-mentioned currency for the United States dollar prevailing on the day the tax concerned becomes due.
